Library Notes.

Some improvements have been made at the Library in the Graded School building, and it is now in a first class condition for growth.

Any one having a good book which they have read, and would enjoy having it read by any appreciative reader, should donate the same to our school library where it will be read and appreciated by a score of readers.

It is our purpose to publish the name of donors and name of books donated in the next issue of the TIMES.

The books and other donations may be handed to the teachers in charge of the school.

Help in this, one of the grandest enterprises your city has undertaken.

RUSSELL WELCH.

RUSSELL WELCH was born Oct. 27, 1890, and died March 22, 1905. Was a son of Mr. J. M. Welch, living near Stanton, whose whole family is well known and respected through Powell county.

No small shock was felt by the community when it was announced that Russell was accidentally shot while out hunting. He lived only about twenty-four hours after the accident occurred, and in the meantime told the family he would die.

Russell was a hale fellow, always pleasant and good natured, was loved by his young friends, and a special favorite of his teacher.

We can hardly interpret the Providence which called him from his loving father and mother and affectionate brothers and sisters while in the bloom and promise of developing manhood, but "Canst thou by searching find out God?" and again, "His ways are past finding out." We only know that He does all things well, and it is to Him we have not only committed Russell but the heart-broken friends who remain.

J. O. CRAWFORD.

The Right Name is DeWitt.

DeWitt's Witch Hazel Salve cools, soothes and heals cuts, burns, boils, bruises, piles and all skin diseases. K. E. Zickefoose, Adolph, W. Va. says: "My little daughter had white swelling so bad that piece after piece of bone worked out of her leg. DeWitt's Witch Hazel Salve cured her." It is the most wonderful healing salve in the world. Beware of counterfeits. Sold by M. Rose.

Vote on Local Option.

Riddell precinct in Estill county will vote on the question of local option Saturday, April 15, and the drys seem to have the battle won. It is believed that other precincts in the county will follow this commendable step.

A Tried and True Friend.

One Minute Cough Cure contains not an atom of any harmful drug, and it has been curing Coughs, Colds, Croup and Whooping Cough so long that it has proven itself to be tried and true friend to the many who use it. Mrs. Gertrude E. Fennor, Marion, Ind., says: "Coughing and straining so weakened me that I run down in weight from 148 to 92 pounds. After trying a number of remedies to no avail, One Minute Cough Cure entirely cured me." Sold by M. Rose.

About March.

March has gone on record as the mildest in years. Not a single spit of snow was observed during the month, and but two or three light frosts. The oldest inhabitant is downed, but it must be similar to those long-ago Marches when our grandfathers planted corn in the third month. No farmers have dared plant any this year, but then they are probably lacking in industry, which our forefathers possessed in abundance.

Elder A. J. Daughetee Dead.

Eld. A. J. Daughetee, a well-known minister, is dead at his home in Lincoln county, aged eighty-three years. Eld. Daughetee was a native of this part of the State where he did a great deal of ministerial work several years ago. One of the most powerful revival meetings ever held at Salem church near, Spout Spring, was conducted by the Elder Daughetee some twenty years ago. Few ministers in the State have baptized more persons or married more couples than Bro. Daughetee.

Won a Name of Fame.

DeWitt's Little Eearly Risers, the famous little pills, have been famous by their certain yet harmless and gentle action upon the bowels and liver. They have no equal for biliousness, constipation, etc. They do not weaken the stomach, gripe, or make you feel sick. Once used always preferred. They strengthen. Sold by M. Rose.

Impressed With Clay City.

Mr. O. W. McIntyre, of Lexington, was in the city Tuesday, and being an old newspaper man gave the TIMES a most pleasant call. He expressed himself as being greatly surprised to find so much business in our town, and said the location and general surroundings for a city here were most favorable.

Forget About Your Stomach.

If your digestion is bad the vital organs of your body are not fed and nourished as they should be. They grow weak and invite disease. Kodol Dyspepsia Cure digests what you eat, cures indigestion and all stomach troubles. You forget you have a stomach from the very day you begin taking it. This is because it gets a rest—recuperates and gradually grows so strong and healthy that it troubles you no more. E. L. Babcock, Amherst, Minn., says: "I have taken a great many remedies for indigestion but have found nothing equal to Kodol Dyspepsia Cure." Kodol digests what you eat, cures Indigestion, Dyspepsia, Sour Stomach, Belching, Heartburn and all Stomach Troubles. It's preparation is the result of many years of research. Sold by M. Rose.

PAPOOSE POPCORN

A New Seed Discovery for
FORAGE, POULTRY, POPPING

A subscriber to the Southern Agriculturist secured the original seed from an old Indian in Northwest Texas. After experimenting with it seven years he wrote that paper: "With good ground and care it will make from 50 to 100 bushels to the acre, and planted thick and cut stalk and all it will make more feed and better feed than anything I ever saw. The old Indian said poultry fed on it would never have the cholera. I have not lost a fowl with cholera since I have been raising it. It also pops beautifully." This article brought hundreds of requests for seed, and now only a few bushels are left. Send 10c for a 3 months' trial subscription to Southern Agriculturist, 39 C. P. Bldg., Nashville, Tenn., and you will get 100 seed by return mail, also details of \$50 prize seed-growing contest.

Mrs. Wm. F. McIntosh after a long illness, is slowly improving.

Mrs. W. J. Barnett, we are glad to say is fast regaining her health.

Mrs. Emma McIntosh, of Clay City, visited relatives here last week.

Jas. F. McKinney is having the large boundary of land belonging to the old Cottage Furnace surveyed.

Elder George W. McIntosh filled the pulpit at the Baptist church Sunday and delivered a very helpful sermon.

The Spring being so early many farmers have turned on their grass, which is unusually good for this early in the spring.

Aunt Nancy Barnett, who has been down with lagrippe for some time, is much better and is now able to go about again.

Berry Barnett has rented of W. J. Christopher his farm on the river known as the Wm. Curtis place, and has moved to to same.

Russell Christopher who left here two weeks ago, has located at Bloomington, Ill., and writes that he is very well pleased in his new place.

Miss Lillie Tipton the popular young lady who taught school at this place two years ago, was married at Richmond last week to Mr. Earl Soule, of Nicholasville.

Dudley Hall, of Montgomery county, visited his brother-in-law, Berry Barnett the last of the week. Mr. Hall says his son, Simpson, is just recovering from a most severe attack of typhoid fever.

An Interesting Letter.

Valparaiso, Ind., Mar. 28, '05.
EDITOR CLAY CITY TIMES,

Dear Sir: Please find inclosed \$1 00 for which you may credit my subscription. 'Tis like reading a letter from home to read the TIMES. I have been away from that state for 18 years, but have the same anxiety to hear from the people there that I had when only away one week.

Am glad to learn that your people are getting enthused with so much enterprise. I see among other things you have a new highway bridge at Waltersville. Now if you would only take hold of the good roads movement, I would think Powell was coming to the front. With all the good material that you have, you could have good roads with but little cost if you would only put your efforts together and say we are going to have them, then you would soon have the world coming your way.

We have good gravel roads here at a cost of \$4,000 per mile. We have to have our gravel shipped here and hauled onto the road where it is spread direct on the clay as we have no rock for bedding. It makes a fine road but it is protected during the thawing season by no heavy loads being allowed to pass over them.

Best regards to all the people of the community.

W. H. SMETHERS.

Couldn't Stand Temptation.

In our last issue we had an article commending the action of the American Board of mission-ary in refusing Mr. Rockefeller's offer of \$100,000.00. We were a little to early in making such commendation for at the last moment the board accepted the gift, and in so doing they indorsed Mr. Rockefeller's way of stealing money. They were bound to know that the oil king would increase the price of oil immediately to get his money back and they were willing for him to do this that they might get the money. Funny way to get money for church purposes, but then we have seen lots of funny and inconsistent things in our life, and we are not surprised.

Clay City all Right.

A subscriber and loyal citizen of Clay City says they are always proud to receive the TIMES because if there is any thing good to say about the town they will find it in our paper, and are always most sure to find some kind of a puff in the paper. We are proud that we exist in a town that is worthy of puffs. The reason we can always find something good to say about Clay City is because there is always something good in the town.

While some things don't always go to our liking we believe Clay City to be really the best town on earth.

Chicago elected a Democrat mayor Tuesday by 25,000 majority.

Do You Want an Education?

SOME FACTS ABOUT THE CLAY CITY GRADED SCHOOL.

Clay City is located on the L. & E. railroad, between Lexington and Jackson, Ky. The Graded School is the pride of the city and is in a prosperous condition, having an enrollment of about one hundred and fifty pupils.

Strict discipline is enforced, but it is tempered with mildness and kindness. Our course of study will compare favorably with that of any graded school in the State. We strive to obtain thoroughness, however, rather than a smattering knowledge of many things; to be deep, rather than broad. We shall undertake no patent process by which it is supposed that untutored boys and girls may be put into a cramming machine and speedily turned out well educated men and women.

Education is the product of time and hard study. If you wish your children to be well educated, you should give plenty of time in which to train them. We will teach your little children and give them the benefit of careful training in the elementary branches, under an experienced teacher, thus laying the foundation of a good education; we will take pupils in the preparatory department and give them thorough instruction in the ordinary branches of an English education, and we will take more advanced students and train them in the higher studies of the regular college course, including Higher Mathematics, Sciences, French and English Literature, and will furnish them with superior facilities for instruction in Vocal and Instrumental Music.

BEAUTIFY YOUR HOME WITH Kinloch PAINT

READY TO MIX NOT READY MIXED

Important Memorandum—The painter is the most important person in painting. A job complete, done by a good painter will be the best quality of paint, costing only \$10.00 (\$24.00 labor, \$20.00 paint) will last five years. The same paint applied by a dealer (\$20.00 labor, \$20.00 paint) will last only two years. This is the "pay-per-can" cost of the good painter's job is \$15.00—the poor painter's \$25.00.

A small investment in paint adds greatly to the value and beauty of your property and makes you a "good neighbor" by making a good neighborhood. Good painting is one of the best investments and pays big returns in improved values. It's a saving, not an expense. But when you paint—buy only

Kinloch HOUSE PAINT

There's one indisputable reason why, a reason every honest painter will acknowledge—"The Oil is the Life of Paint," and the sure way to get good oil is to buy it fresh and pure from the dealer's barrel, not from the ready-mixed paint can. The paint that is ready to mix with linseed oil, gallon for gallon, is KINLOCH PAINT, and we recommend its use for every good reason we know.

Incredible Brutality.

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had not done the best he could for his suffering son. TO THE PUBLIC:

I desire to express my opinion in regard to Dentistry. I have had five different skilled dentists to extract teeth for me, but the work of Dr. BERTRAM SMITH excelled all others. He extracted nineteen teeth for me in six minutes, and with less pain than ever before.

Expecting to hear the same old story, I went to Dr. BERTRAM SMITH, the Clay City Dentist. He extracted six without any pain to me, and at reasonable price. As he is the best dentist that has worked in my mouth, I recommend him to my friends. WM. SNOWDEN, JR.

Startling Mortality.

Statistics show startling mortality, from appendicitis and peritonitis. To prevent and cure these awful diseases, there is just one reliable remedy, Dr. King's New Life Pills. M. BILIOUSNESS AND CONSTIPATION CURED BY THEDFORD'S BLACK-DRAUGHT

Because the liver is neglected people suffer with constipation, biliousness, headaches and fevers. Colds attack the lungs and contagious diseases take hold of the system. It is safe to say that if the liver were always kept in proper working order, illness would be almost unknown.

Thedford's Black-Draught is so successful in curing such sickness because it is without a rival as a liver regulator. This great family medicine is not a strong and drastic drug, but a mild and healthful laxative that cures constipation and may be taken by a mere child without possible harm.

The healthful action on the liver cures biliousness. It has an invigorating effect on the kidneys. Because the liver and kidneys do not work regularly, the poisonous acids along with the waste from the bowels get back into the blood and virulent contagion results.

Timely treatment with Thedford's Black-Draught removes the dangers which lurk in constipation, liver and kidney troubles, and will positively forestall the inroads of Bright's disease, for which disease in advanced stages there is no cure. Ask your dealer for a 25c. package of Thedford's Black-Draught.
